

Sun Catchers

August Take It & Make It

Supplies List::

Materials Needed: One stained glass coloring page (We provided a page for each craft from a stained glass coloring book purchased from amazon), colored pencils, embroidery thread, and 3 mason jar rings, glue and scissors

Step 1

Color your stained glass page

Step 2

Place rings on your picture and trace around the outside of each ring with a pencil. Cut out each circle

Step 3

Using craft or Elmer's glue, put a small bead or glue around the inside of the ring and place coloring pages inside.

Step 4

Let dry completely

Step 5

Tie the embroidery thread tightly around the ring leaving enough to hang each ring in a window that receives sunlight.
