## Take It & Make It Floral Bookmarks

### Supplies Provided:

Contact Paper, Card Stock, Dried Flowers, Book Pages, Yarn

1. Using craft or Elmer's glue, attach the book pages to the card stock.

2. Apply a small amount of glue to book page. Then gently lay flowers in place.

3. Peel the back off the contact paper and begin at the bottom of your bookmark smoothing the contact paper as you go. You can use a squeegee or spatula for this. Pull the white backing off slowly as you move your way up the bookmark.

**4. Repeat step 3 on the back of your bookmark.**

**5. Using a hole punch or scissors, make a hole at the top of the bookmark.**

**6. Fold your yard in half creating a loop at one end.**

**7. Thread the open ends of yarn through the hole at top of the bookmark.**

**8. Take both open ends of yarn and put them through our loop and pull tight.**
